

Pappas Telecasting Companies' 'donation' of \$325,000 in airtime to Republican candidates is an abuse of it's license for use of the "public airwaves". As such, Pappas's license should be suspended for violating the equal access rules of it's license.

Pappas uses the public airwaves free of charge and is obligated by law to serve the public interest. Pappas' actions are illegal and illustrates that Pappas does not intend to serve the public interest. Their actions show why we need to strengthen media ownership rules, not weaken them. Pappas's broadcast license should be revoked for this abuse of the equal access rules.

Thank you.
